

The following positions are **CONTINGENT** upon contract award, please submit resumes to: [resume@rdr.com](mailto:resume@rdr.com), please indicate position of interest in subject line

## Country Manager – ACOTA II

**Program:** The ACOTA Program directly addresses a principle US policy objective in Africa – to increase African capacity to fight terrorism and to prevent, mitigate, and resolve crises, conflict, and regional instability.

The ACOTA program contains two primary goals:

- Enable African Militaries to develop and improve sustainable capacities to deploy and conduct peace support and humanitarian relief operations in Africa and other areas of the world.
- Improve African militaries' interoperability in order to facilitate sub-regional and regional operations.

### **Description:**

- The Country Manager is responsible for the successful execution of ACOTA Task Order PSO training missions in the designated ACOTA Partner Nation.
- Supervises every aspect of the ACOTA Training program conducted in the Partner Nation.
- Ensures compliance and fulfillment of all tasks prescribed in the Task Order Performance Work Statement.

Responsible for the health and welfare of the ACOTA Training Team.

Manages and allocates all resources to ensure successful completion of the ACOTA training mission.

- Must have the skills to satisfy multiple customers once in-country – the U.S. Embassy, Office of Defense Cooperation, senior civilian and military leadership of the Partner Nation, appropriate U.S. Combatant Command representatives, the unit being trained and the host nation population.
- Must also be able to recognize opportunities to grow existing business in country, and seek opportunities to obtain new business.
- Must be a skilled communicator who can interact at the U.S. Ambassador and Partner Nation Minister of Defense levels, as well as individual soldiers.
- Must have an intimate knowledge of administering complex, multi-phased training programs, and be able to develop successful training strategies that meet the needs of the Partner Nation, fulfill ACOTA strategic goals and provide the highest quality of training in austere environments with fluid operational tempos.

### **Requirements:**

- Experience in Plans, Operations and Training at the Battalion/Task Force, Brigade Combat Team level is required.
- Former senior U.S. Army or USMC command experience (O-6/O-5/O-4; E-8, E-9) is highly desired.
- Bachelors Degree with minimum of 7 years military operations & training experience required. Masters Degree is preferred.
- Experience training foreign militaries is required; experience training African militaries is highly desired.
- Second language is desired, especially French.
- Experience with U.S. State Department, United Nations (UN) Chapter Seven Operations and African Union (AU) is desired.
- Experience with Africa peace support operations is desired; to include experience with Africa Contingency Operations Training and Assistance (ACOTA) Program and its predecessor program the African Crisis Response Initiative (ACRI) and other similar programs
- Experience leading large training and assistance Task Orders (TO).

**Location:** Fayetteville, NC

**Security Clearance:** Must possess the appropriate level of Government issued security clearance
